The nature and scope of the study must be approved by the Superintendent.

An administrator to whom this leave of absence is granted shall be eligible for promotion in salary as if on active duty.

B. LEAVE OF ABSENCE FOR REST AND RECUPERATION: A leave of absence for the purpose of rest and recuperation may be granted at the discretion of the Superintendent to any administrator who has performed continuous and satisfactory service in the public schools of Jersey City for at least fifteen (15) years. No administrator may apply for another such leave unless ten (10) years has passed since the previous leave taken. The number of administrators eligible for leave for rest and recuperation shall be limited to two (2) each work year. The School District shall not arbitrarily deny requests under this Article.

An administrator to whom this leave of absence is granted shall be eligible for promotion in salary as if on active duty.

C. COMPENSATION DURING LEAVE FOR STUDY OR FOR REST AND RECUPERATION: An administrator absent on leave for study or rest and recuperation shall receive, as compensation, one-half (1/2) of his/her monthly salary for each month during the continuance of such leave.

This compensation shall be paid in the same manner at the same time as salaries are paid to other administrators.

D. LENGTH OF AND TIME OF BEGINNING LEAVE FOR STUDY OR REST AND RECUPERATION: A leave of absence for study or for rest and recuperation granted under this rule shall be for a period of twelve (12) months beginning September 1st. Administrators on such leave may request cancellation of such leave at any time and their reinstatement shall be at the sole discretion of the Superintendent.

E. TIME OF APPLICATION FOR LEAVE FOR STUDY OR FOR REST AND RECUPERATION: Applications for leave of absence for rest and recuperation should be presented to the Superintendent at least three (3) months before the beginning of the desired leave. Applications for leave of absence for study should be presented to the Superintendent at least four (4) months before the beginning of the desired leave. The applicant shall sign a contract to serve in the District for at least two (2) years after the expiration of a leave and if circumstances prevent the fulfillment of this obligation the administrator shall reimburse the School District in direct proportion to the unfilled time except in case of death or permanent disability. The Superintendent shall report these applications to the School Board at its next meeting.

F. USE OF LEAVE FOR STUDY OR REST AND RECUPERATION: The Superintendent shall require all administrators to whom leaves of absence are granted for study or rest and recuperation under these rules to carry out fully all the details of the program of study presented in the application for leave, or to devote themselves to the purpose of rest and recuperation, and to refrain from engaging in any remunerative

occupation during the continuance of the leave of absence. Tuition grants, scholarships, grants-in-aid, Federal Government grants or stipends, etc., shall not be considered as remuneration. Administrators on leave of absence for study shall present to the Superintendent, at such time as he/she may require, certificates signed by the proper authorities, of the beginning, continuance and completion of the course of study chosen.

For its own protection and the protection of the schools, the School District will, in any case of violation, terminate the leave of absence and will regard such violation as evidence of conduct unbecoming an administrator, within the purview of the Tenure of Office Act.
